1. Objective of this policy document

Tata Technologies Limited (hereinafter referred to as "TTL" or "Company") is on a growth trajectory and to meet the needs of our growing organization we foresee the need for more skilled and capable employees who can deliver on TTL client projects. Fresh graduates always bring in fresh innovations and based on the business need, they have been hired across the organization. To make these graduates Project-ready, training program - EDGE has been formulated. This policy provides guidelines to those undergoing EDGE program at TTL. This program offers them an opportunity to upskill in various Technologies/Domain/Process.

2. Definitions:

Confidential Information – TechVarsity	Any proprietary information related to TTL and its business/clients. This includes training content, documents, electronic messages, audio/video recordings, and course- details.
EDGE Policy	The Policy outlined in this document. Hereinafter to as "this Policy".
Program Management Team (PMT)	The team is responsible for the management - planning, delivery, and execution of the EDGE Program.
Mode of Training	The execution may include – • Classroom-learning / Online sessions / Combination of classroom and online sessions/ Collaborative and self – learning. • Sharing of resources by & with Subject Matter Experts (SMEs) of TTL. • The modes of training may change.
Terminologies Used	TTL – TATA Technologies Limited GET – Graduate Engineering Trainee DET – Diploma Engineering Trainee PGT – Post-Graduate Trainee PGET – Post-Graduate Engineering Trainees GAT – Graduate Apprentice Trainee
Trainees	GETs/DETs/PGTs/PGETs joining TTL.
Duration	Flexible basis business requirement. Includes online/classroom lectures, activities, milestone-submissions, and assessments.
Elements of Training	Domain, Technical & Process.

3. Scope of EDGE GET Program

- EDGE Program is aligned to TTL's objective of being a high-performance and a quality centric organization. TTL believes that for trainees to perform effectively in their roles, they need to be equipped with appropriate competencies. A competency at TTL is defined as a combination of knowledge, skill, and temperament.
- This policy provides clarity and awareness on training elements, training evaluations, compliance, and for related eventualities during the conduct of the technical training duration.
- This policy applies to Phase 1 and Phase 2 as referred to in Fig 1

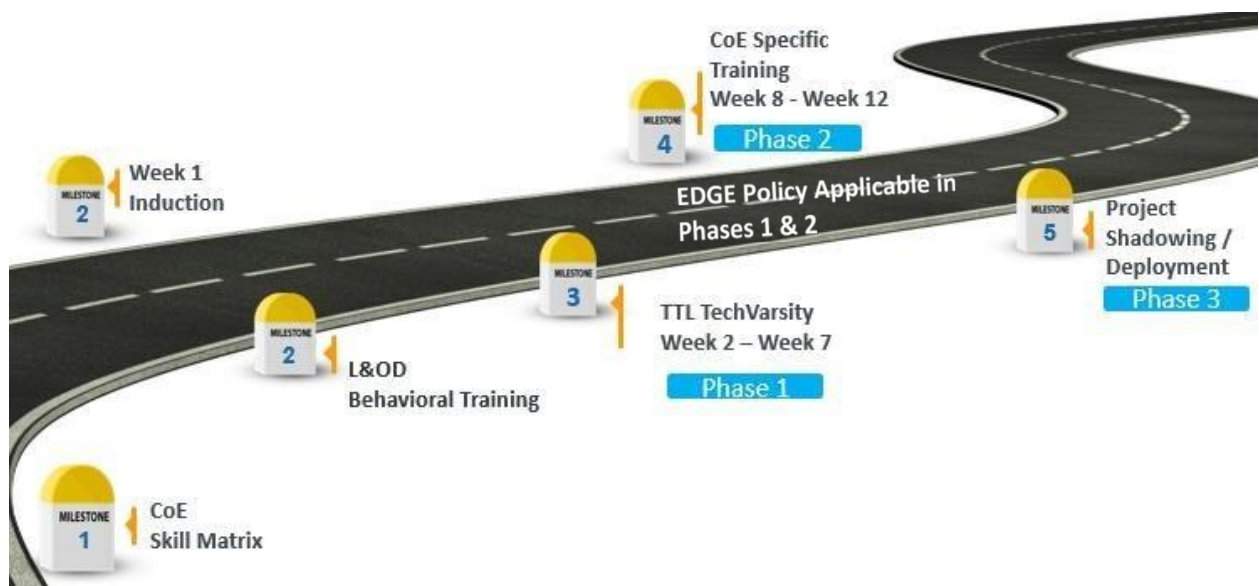

Fig 1: Phases of EDGE Training Program

- This Policy applies to all GETs / DETs / PGTs / PGETs / GATs joining TTL, identified to undergo the EDGE program only for their technical training duration under TechVarsity purview.
- This policy is NOT applicable in the following scenarios
 - Before commencement of technical trainings by TechVarsity
 - For GETs/PGETs/DETs identified by CoE / LoB SPOC/Manager for early deployment basis business requirement
 - Post-completion of technical trainings by TechVarsity
- This Policy may be modified or withdrawn by the Company, at any time, with or without prior notice.
- Current Policy supersedes all previous versions
- In case of any situations / eventualities / issues which have not been considered in this Policy document, the decision of Policy Owner / Approver will be final

4. EDGE Training

This training is mandatory for all new joiners identified for EDGE Training Program. The following are the key features of the program:

- The mode of trainings may be either classroom or virtual, depending on the business requirement.
- The trainees are expected to undergo self-study, if any, as per the instructions given by subject matter experts / trainers.
- Trainees must ensure active engagement during the entire duration of this program
- This includes timely submission of project work, participation in activities and group-based initiatives.
- The assessments shall be applicable to all the modules.
- All participants will be given access, to learning material, for modules applicable.

5. Attendance:

- 100% attendance is mandatory during the training period & during assessments, excluding any valid medical absence.
- Any failure to attempt any assessment as per the promulgated schedule, will lead to losing the attempt and the Trainee will be required to appear for the immediately following attempt. The passing criteria for the first attempt and the second (final) attempt is mentioned in the Assessment section (refer Point 7).
- It is only the Head – TechVarsity or Program Management Team who can approve the absence of a Trainee during an assessment. The decision is final and binding on all.
- Lecture-sessions may have on-the-spot assessments, to gauge various aspects of the teaching-learning process. These Spot Assessments may be conducted anytime during / at the beginning of the lecture-sessions. Spot Assessment scores will be considered for final performance scores. The operational details and marks-schema will be decided by the respective module-owner / instructor / and would be conveyed to the Trainees in advance. It may vary from module to module.

6. Assessment and Evaluation Policy:

- The Program Management Team will communicate the assessment pattern for the respective modules in advance.
- Each Trainee shall be given a maximum of two attempts to pass each module. The following table depicts the assessment type, scope and passing criteria:

TABLE

Assessment Type	Scope	Passing Criteria
1 st Attempt	Technical	70%
2 nd Attempt	Technical	75%**

**While 75% is the clearing requirement, the score on the assessment for the 2nd attempt will be capped at 70% for the purpose of calculation, irrespective of the marks scored by the Trainee in 2nd attempt.

- 2nd attempt will be the final attempt allowed for Trainees to pass the respective Module.
- PMT shall liaise formal meetings with the COE & HRBP to decide on further course of action in case a Trainee fails to clear a module in the given finite number of attempts.
- Mode of the assessment pattern for all training modules is at the sole discretion of the respective Module Trainer.
- To complete the EDGE GET program successfully, the Trainee needs to complete and qualify all technical modules.
- The TechVarsity assessment scores are crucial since it will be linked to TTL's yearly performance assessment of the trainees for the TechVarsity training duration as per below legend:

TechVarsity Performance Scores	TechVarsity Performance Rating Legend	TTL Standard Rating
> 85%	Excellent	Significantly Exceeds Expectations
> 80 – <=85%	Very Good	Exceeds Expectations
> 75 – <=80%	Good	Meets Expectations
> 70 – <=75%	Average	Meets some Expectations
<=70%	Below Average	Does not Meet Expectations

7. Breaches of this Policy:

During EDGE Program, each GET / PGET / DET is expected to follow the defined EDGE Policy. Any failure in abiding by the Policy shall be considered a breach of this Policy and can be grounds for initiation of disciplinary action.

The following behaviors is a non- exhaustive list of what can be considered as potential breaches

- Not meeting the attendance criteria as specified in this Policy or unapproved absence from training
- Indulging in malpractices such as plagiarism/copying/impersonation during training sessions, assessments, or prior/during the submission of assessments.
- Not meeting the assessment norms as specified in this Policy
- Misconduct
- Violation of any Company policies

The disciplinary actions, governed by TTL policies, depending on the geography and applicable laws include, but are not limited to:

- An oral or written warning.
- Revocation of access to trainings
- Any potential breach which warrants disciplinary action shall be taken post discussion with HR and Legal Team.

Exceptions:

- Under exceptional circumstances, a Trainee may be considered for release to business/projects, based on necessary approvals/communications from the higher management. In this case, the Trainee may be asked to undergo a viva-voce to prove his competence. The decision to allow this exception remains with the Head – TechVarsity.
- A Trainee maybe undergoing the EDGE Program and a business-project simultaneously. In this scenario, if they do not achieve required performance in the EDGE program, the decision regarding the further course of action to be taken in this case, shall be taken jointly by the Head – TechVarsity, PMT & respective business SPOC / COE / leader.

8. General:

- This Policy is subject to change from time to time as per business requirements
- This Policy may be added to, deleted, or changed by TTL at its sole discretion with/without any prior intimation to the Trainees

For queries related to this Policy, please contact your HRBP or the Program Management Team, as applicable.
